Business Spotlight

The Mount Dora Police Department is proud to introduce the newest member of the Mount Dora Police Department family. This is "Brisko", a two-year old pure bred German shepherd. He was born in Germany on February 23, 2005 and was recently purchased and partially obedience trained by Southern Hills Kennels in New Smyrna Beach. "Brisko" weighs approximately 80 pounds and will be trained in narcotics detection, tracking, and apprehension of felony suspects. Officer Jeremy Alexander was selected to handle "Brisko" because of his experience with K-9's. An added bonus is that his wife is a Veterinary Technician, who will ensure that "Brisko" stays healthy and happy. Officer Alexander and "Brisko" will be attending a K-9 handler school for 10 weeks. Upon graduation, they will serve the citizens of Mount Dora as an active part of our Police Patrol. In addition, they will conduct presentations at service clubs, schools, churches, and other interested organizations. "Brisko" was purchased by private donations from individuals that are great supporters of Public Safety and our appreciation to them is immeasurable.

Artists Wanted!!

The Mount Dora Center for the Arts is seeking an artistic image for the 33rd Annual Mount Dora Arts Festival to be held February 2 & 3, 2008. This image will be used on all marketing materials for the festival, including t-shirts, posters, all signage, direct mail pieces, newspaper and magazine advertising, and the printed festival program. The creator of the winning image will receive a \$250 cash award and publicity in the festival program. For more information, log on to www.mountdoracenterforthearts.com, or call 352-383-0880.

Ambassador of the Month: Lise Pelchat

Lise moved to Lake County 18 months ago. She lived in South Florida for 18 years. Lise met her husband Richard 19 years ago and it was love at first sight.

She resigned as Director of Mortgages and Consumer loans for Bank of Montreal in Quebec City. She sold her house, left her family and friends behind to move to Deerfield Beach.

Lise got involve immediately with Les Diplomates Richelieu (French Club) of Fort Lauderdale which gave her the opportunity to get to know more of the customs and the charities in the area. She was on the clubs board for 8 years and became the President. This club helped to raise money for Women in Distress of Broward County. She became responsible for the Black Tie Dinner Fashion Show and Dance for approximately 300 people for the next 6 years. During those years they raised enough money to help build a new shelter naming one wing their honor. "We were involved in the community because we felt that it was the best way to thank the Americans that have welcome us to this beautiful country and made us feel welcome."

Her last job prior to moving here was as Director of Administration, Compliance and Quality Control for the 50 States as a Third Party Administrator for the Insurance Industry. It was a great experience for her but it was very time consuming. When Lise and Richard moved to this area her husband suggested that she should work from home and have more time to enjoy life. He found the perfect company for her to represent which corresponded to what she had done all her life, staying in touch with family, friends and clients. This time it is not time consuming, but a wonderful way to let people know how to impact the life of others by sending cards. She is the card lady representing SendOutCards. Lise invites everybody to go to www.sendcardspronto.com to get few free cards and a test drive of this service.

She is very happy to leave in this area she feels the community is so friendly and helpful. As a member of this Chamber she met great people and enjoys all the events that are sponsored by the Chamber and the City. She is starting to be more involved with charitable work.
